

Give us your views on local health services

Some patients registered with GP surgeries will soon receive a questionnaire about their experiences of local health services.

The survey covers issues that concern patients, such as access to care and satisfaction with treatment.

If you receive a questionnaire, please fill it in and send it back as soon as you can.

It is really important that we hear your views, even if you have received a questionnaire like this before. Your response will help us to improve the services we provide for patients.
